THE PUMP ONLINE

Following a while off-line, due to cyber attacks, the Pump website has at long last been restored on a new secure server.

Unfortunately, some of the original content has been lost in the "ether" but fresh content will always be welcome.

If you have any photographs which may be of interest, these can now be uploaded via the contact form. We would particularly welcome any photographs of this year's and past Jubilee celebrations.

Visit The Pump at

NB The Pump will only be uploaded to the site one month in arrears. To keep up to date, the printed edition will be popped through your letter box on the publication date.

The 'Pump Year' is from July to June. If you would like to continue receiving a copy, please put £3 in an envelope with your name and address, and post through the letterbox of 4, Pitt Court.

I am just starting up the process of making kefir, and if anyone has live kefir grains they would be willing to sell me, I would be grateful.

ST BARTHOLOMEW'S CHURCH, NYMET ROWLAND

Sunday 17th June
9:00am Holy Communion
Reverend David Robottom

Owen Thompson

We send our love and condolences to Louise and her family and also to Owen's parents, who all supported him through his illness and gruelling treatment. Owen was sustained by a strong Christian faith and those who met him as he walked through the village could all see how cheerful and positive he remained throughout.

A Journey through 70 years

Many thanks to the many who came to the church on the 5th June for the interesting double act provided by Victoria and Robert Gordon, our new priest. The audience sang very well so we hope that there will be a good turn-out at the carol service at Christmas!

At the barbecue afterwards it was good to see everyone getting together and the newcomers to the village being made so welcome. We are very grateful to all those who helped: to Anthony, David and Paul for providing and putting up the marquees, in trying conditions; to Peter Heal and Anthony for slaving at the delicious barbecue in David's sheep truck; and to Alex and her excellent team of helpers who served the refreshments.
