MID DEVON RURAL SERVICES SURVEY

Mid Devon District Council say:

"Rural services are the essential facilities provided in countryside areas, covering everything from healthcare and education to transportation and infrastructure.

These services are crucial because they ensure that people in rural communities have access to the fundamental resources needed for a decent life. By bringing these vital services to rural areas, we not only improve the well-being of these communities but also foster development and create stronger, more sustainable societies."

NYMET ROWLAND**

Services for February

Sunday, 18th February

9:00am Holy Communion

Reverend David Robottom

Thank you to all those who came to enjoy our 'Carols by Candlelight' service last month. The church looked beautiful with greenery and white flowers and the Corden family made an excellent job of decorating the Christmas tree, which had been kindly donated by Alex and Adrian Pike. William and James Daw, and Jessica, Rose and Bonnie Madden took part in a nativity tableau and Robert Gordon conducted the service with his usual light touch.
