POTHOLE OF THE MONTH

An idea pinched from our sister newsletter in
Coldridge. Please send photos to The Pump and
we'll select the best.

There's so many here we'll leave you to take
your pick.

DEVON MOBILE LIBRARIES

From the Coldridge Calendar:

Our legal representatives have lodged an Appeal against the High Court decision to drop the case against Devon County Council. Watch this space. In the meantime, it may be possible to order books (from Crediton Library) and for your choices to be delivered to a central point in Coldridge, by a 'Crediton Home Library Volunteer'. I am not entirely sure how this is going to work as it seems as though someone must be prepared to act as a sort of 'book repository', from where you can then collect your literary trove. You can contact Crediton Library on 01363 772578 if you are interested in finding out more..

How or whether the book ordering scheme may apply to Nymet Rowland, we are yet to discover. RFS

BOOK SWAP TRIAL WITH CUPPA AND CHAT *an invitation*

By the time you receive this month's Pump we hope that you have been or are planning to go to the Village Hall 'Cuppa and Chat' hour. The aim is to make this into a regular get together (perhaps monthly) in the future run by the village hall committee and is open to anyone.

With the recent loss of the Mobile library service to the village we would like to set up a 'book swap' borrowing service alongside the 'Cuppa and Chat' (biscuits too!) and trial it over the coming months starting Tuesday May 7th. We invite anyone interested to bring some books – it's up to you how many you bring and can carry (suggest maximum 8) – to lend to others. Your books should have your name in them as they will be returned to you after being borrowed. Further details of borrowing and returns will be explained at the first meeting. Any type of book will be welcome. The cuppa and chat is for anyone who would like to come along – books or no books, they are not obligatory.

We hope to see you there.

Angela Kirkham

Chair of the Village Hall Committee.

For those of us who don't get out much, the early evening of March 12th proved to be very entertaining with the sudden appearance of an enormous articulated lorry making its way up 'Lucky Lane'. As all the villagers will know, 'Lucky Lane' has been so named because if you're lucky you won't meet anything coming your way. Well imagine the shock if you happened to encounter this beast on your way down to the A377. There was much rallying round to get the vehicle safely out of the village after also having a new tyre fitted. Well done to everyone who helped. It was better than the telly! *Dawn Cooper*

Liz was one of those who had to divert having met this wayward truck near Nymet Cottage at about six that evening. From what we have been told, Lucky Lane was blocked from about 3.30pm and the HGV didn't clear the village until late in the evening. They live among us! *Eds*
